Sir,

Sub: Technical talk for students

As per the above mentioned subject, we are conducting a technical talk on the 27th of October from 9:00 am to 4:00 pm. We would like to invite the Principal, the Vice Principal, all faculty and all the students to be a part of this learning session, as it is going to bring in a more technical aspect of learning in the curriculum and exposure to industrial importance of the same. The venue has been planned as Sambhram due to the student strength, we request you to kindly oblige and grant us the permission to use the venue and required equipment in order to promote and conduct the event. Your presence and support will be greatly appreciated.

Regards,

Technical team
