

CircularSummer Research Internship program at NMAMIT

We are restarting the summary research internship program at NMAMIT for BE and MCA by inviting faculty members to guide the groups. The faculty members, who are interested in taking students under their wings for the Internship program, are requested to give their name and tentative title of the research work. Some funding for consumables, fabrications, etc. will be provided by the college. The last date for the submission of the details (name of the faculty, preferred branch of students, and research area/title) to the Dean (R&D) is 15th July, 2023.

Dean (R&D)

Principal

Copy to all faculty members

A/c
Maximum of Rs. 50,000/- per year may be set aside from Institutional Research Budget. & payment may be made after procurement of consumable with due certification from Guide & Dean (R&D)
